1.4 Feedback System

• Feedback Report: - 2023-24

In order to ensure continuous progress of the college, we have put an effective feedback mechanism in place that collects feedback from various stakeholders. The college has introduced online feedback system from the academic session 2019-20. In the academic year 2023-24, feedback on **academic performance** as well as **ambience of the institution** is collected from the students, teachers and alumni in a Google form based on a structured questionnaire framed and approved by the IQAC. Students' feedback is obtained from the UG and PG students. Total 784 students registered their response. Alumni feedback is obtained from all the streams i.e. B. A., B. Com., B. Sc., B. C. A., M. A. and M. Sc. Total 211 alumni registered their response. Teachers' feedback is obtained from all the permanent and CHB teachers. Total 48 teachers registered their response. The received feedback is then analyzed by the IQAC and submitted to appropriate bodies i.e. Governing Body of Yashwant Shikshan Sanstha, Sangli (Kupwad), CDC and Shivaji University, Kolhapur for the further necessary action. Accordingly, matters which involve the College as a whole are dealt by the Principal in coordination with the concerned departments and committees. At the end IQAC uploads the feedback analysis report to college website. Finally, Governing body of the Yashwant Shikshan Sanstha takes further necessary actions as per the suggestions received by the stakeholders.
